**S-A BUDGET MESSAGE** W.S. 16-4-104(d)

The citizens of the Lower Wind River Conservation District passed for the first time a mill levy during the General Election in November of 2016. The mill levy will provide substantially more revenue than the district has received in past years. The Board of Supervisors has prepared this budget to responsibly address natural resource concerns in our district. We will continue to work with landowners on water quality issues in the Muddy Creek, Polson Creek and Ocean Lake watersheds. We will continue to work with permittees, landowners, the Bureau of Land Management and the Office of State Lands and Investments on Rangeland Health projects. We will continue to sell seedling trees and shrubs for low-cost establishment of wind breaks and soil stabilization projects. We will expand the well water testing program and educational programs for youth and adults. A Resource Conservation category has been added to be able to provide cost-share programs to our citizens for soil and water conservation. We increased the salary of our Manager and added a part-time position to assist the Manager with added responsibilities of expanded programs.

**S-B RESERVE DESCRIPTION**

We have not budgeted reserves at this time.
